

Join Our Team as a Pelvic Floor Physical Therapist and Make a Positive Impact at the Fosnight Center for Sexual Health!

Are you a pelvic floor physical therapist that wants to help individuals have a fuller, happier life, but are not enjoying having to find your clients? Look no further - you could start with a full caseload right away! New Grads are welcome with pelvic floor physical therapy experience!

About Us:

At the Fosnight Center for Sexual Health, we are passionate about improving the lives of our patients and providing comprehensive care in a supportive, inclusive, and empowering environment. We understand the critical role that pelvic floor physical therapy plays in enhancing sexual health, pelvic optimization, and overall well-being.

Why You Should Join Us:

Fosnight Center is looking for a dynamic and compassionate pelvic floor physical therapist to join our vibrant growing team! At the Fosnight Center, we are committed to cultivating an inclusive environment that benefits all of our providers, staff, clients, patients and community. We are a size-inclusive, social justice advocate, and LGBTQIA+ affirming multidisciplinary medical practice that believes in a biopsychosocial approach to optimize healing, pleasure, and wellbeing. We embrace the uniqueness of each individual, ensuring all feel safe and welcome regardless of intersectional identities.

If you're a dedicated professional who's eager to make a meaningful difference in the lives of ciswomen, cismen, and gender-affirming populations, you've come to the right place. Our office is bustling with energy and enthusiasm, and we offer a supportive and employee-friendly environment where you can thrive.

Benefits!

- 8 Paid Holidays AND the entire week between Christmas and New Years Day off!
- Plus, two weeks of paid time off!
- Plus, healthcare benefits!
- Plus, 401K plan!
- Plus, an amazing multidisciplinary team!
- Mentorship and biopsychosocial collaboration.
- Pay is commensurate with experience.

Key Job Functions:

Full Caseload Awaits: Say goodbye to the stress of building your client base from scratch. At the Fosnight Center for Sexual Health, we have a steady stream of clients ready to work with a skilled and caring Physical Therapist like you. Walk in and start making a difference right away!

Personalized Care: You will have the opportunity to provide personalized physical therapy services tailored to the unique needs of our patients. We prioritize individualized care plans to promote sexual health, address pain, and enhance overall wellness.

Collaborative Environment: Join a multidisciplinary team of healthcare professionals who are dedicated to a holistic approach to sexual health. Collaborate closely with our therapists, physicians, and counselors to ensure comprehensive care for our patients.

Empowerment and Support: Be part of a team that values your professional growth and well-being. We provide ongoing training and support to help you stay at the forefront of physical therapy practices in sexual health.

Inclusive and Respectful: The Fosnight Center for Sexual Health is committed to inclusivity and respect for all individuals, regardless of gender identity, sexual orientation, or background. Be part of an environment that celebrates diversity and fosters understanding.

Qualifications:

- Licensed Physical Therapist in North Carolina.
- Experience or strong interest in pelvic floor physical therapy
- Experience or a strong interest in sexual health and related concerns.
- Excellent communication and interpersonal skills.
- Must be open to working with people of all ages (18+) and backgrounds, including cis men
- Must be willing to work with LGBTQIA+ populations.
- Passion for helping individuals achieve their optimal physical and sexual health and well-being.
- Ability to work effectively both independently and as part of a team

Responsibilities:

- Evaluate and assess patients' physical conditions and develop individualized treatment plans
- Provide hands-on therapy to patients, including exercises, stretches, and manual techniques
- Monitor patients' progress and adjust treatment plans as necessary
- Educate patients and their families on proper techniques for at-home exercises and self-care
- Collaborate with other healthcare professionals to coordinate patient care
- Maintain accurate and up-to-date patient records

Skills:

- Strong patient care skills, with the ability to provide compassionate and effective treatment

- In-depth knowledge of human anatomy, physiology, and medical terminology especially around pelvic health conditions/diagnoses
- Experience working in an outpatient clinic or private practice setting is preferred
- Specialization in working with trans/non-binary populations is a plus
- Proficiency in trigger point therapy and/or dry needling techniques is highly desirable

If you're ready to make a positive impact, work in a supportive team, and be part of a forward-thinking center that truly cares about its patients and employees, we want to hear from you!

Join us in our mission to empower individuals to live fuller, happier lives through comprehensive sexual health care. Apply now and bring your expertise to the Fosnight Center for Sexual Health!

We look forward to welcoming you to our team and embarking on a fulfilling journey together!
