SEXUAL HEALTH FOR EVERY **BODY**

## PA SEXUAL MEDICINE FELLOWSHIP PROGRAM

Are you a Physician Assistant seeking advanced training in sexual medicine? Our Physician Assistant Fellowship in Sexual Medicine provides comprehensive, hands-on experience in diagnosing and managing a wide range of sexual health conditions. This 12-month fellowship offers specialized clinical training under expert mentorship, equipping the fellow with the skills to provide inclusive, evidence-based sexual healthcare.

## FELLOWSHIP CURRICULUM

### GENERAL SEXUAL MEDICINE

- Foundations of sexual health assessment and treatment
- Introduction to the biopsychosocial model in sexual medicine
- Management of sexual dysfunction across diverse populations

### WOMEN'S SEXUAL HEALTH

- Diagnosis and treatment of sexual pain disorders
- Hormonal management for menopause and perimenopause
- Treatment approaches for hypoactive sexual desire disorder (HSDD) and arousal disorders

### MEN'S SEXUAL HEALTH

- Management of erectile dysfunction and ejaculatory disorders
- Testosterone therapy and endocrine considerations
- Penile rehabilitation and prosthetic options for sexual function

### GENDER-AFFIRMING CARE

- Comprehensive training in gender-affirming hormone therapy
- Addressing sexual health concerns in transgender and non-binary patients
- Collaboration with multidisciplinary teams for holistic gender-affirming care

## ELIGIBILITY AND REQUIREMENTS

- Must be a certified Physician Assistant (PA-C) with a strong interest in sexual medicine
- Completed application, including CV, personal statement, and three professional references
- Finalists will be invited for interviews during the April 15 – May 15 interview period
